**DRAGOON RESOURCES LTD. (DGN-V)**

**MELODY CLAIM ACQUIRED** - Dragoon Resources has acquired the 18-unit Melody claim block 30 km west of Invermere and about 120 km north of Cranbrook, B.C. for undisclosed terms. The claim is about six km east of the Mineral King mine in the Toby Creek silver camp, which also hosts the Paradise mine.

Dragoon is conducting Phase I of its exploration program comprising mapping, soil sampling and geophysics on the Silver Spray showing which hosts a vein grading up to 70 oz.silver/ton and 20% combined lead/zinc/ton. The potential exists for a replacement-type of lead/zinc/silver deposit. (SEE GCNL No,185, 25Sep90, P.3 FOR OTHER PROJECT INFORMATION) Dragoon has also optioned from Placer Dome Inc. a 50% interest in the Copper 1 to 4 claims, 20 miles southwest of Cranbrook, B.C. These claims adjoin the David and Lew claims to the west, which claims are currently being drilled by Dragoon and its joint venture partner, Greenstone Resources Ltd. of Toronto. Dragoon has also acquired a 100% interest in a karst lead zinc showing and a skarn type gold showing adjacent to a quartz monzonite on Mt.Haley, 30 km NE of Kimberley, B.C.
