## HIGH FRONTIER RESOURCES LTD. (HFR-V)

**SEVERAL PROGRAMS IN PROGRESS** - Albert Applegath, president, reports High Frontier Resources Ltd. has started exploration on a number of claim groups in the Stikine Arch area of northwest B.C., including the 60Z-RDM, More Creek and Ball Creek claims, optioned from NORANDA INC. in 1990. High Frontier has formed a joint venture with Kennecott Exploration. To date, Kennecott has earned 50% of High Frontier's interest and will fund the 1991 programs to earn an additional 10%. Noranda is project manager.

On the 60Z-RDM property, some \$350,000 may be spent on geological, geochemical and geophysical surveying and 1,500 meters of diamond drilling to test the mineralization found in 1990, which included a best assay of

1.16 oz.gold/ton, 0.86 silver/ton, 2.15% copper, 0.99% lead and 3.23% zinc. These results are from the Carcass Creek boulder train.
