### EASTFIELD RESOURCES LTD. (ETF-V)

**NORTHAIR DROPS OPTION** - J.W.Morton, president, reports Eastfield Resources Ltd. has been notified **NORTHAIR MINES LTD. (NRM-V,T)** will drop its option on the Swan property located on Kwanika Creek in the **Omineca mining division of central B.C. north of Fort St. James.** Eastfield will retain the right to earn a 100% interest by making staged payments totalling \$296,000 over six years, subject to a 2% net smelter return royalty. Eastfield can reduce the NSR to 1% by paying \$500,000. Exploration has outlined a porphyry copper deposit with reported reserves of 36,000,000 tons grading 0.209% copper. Sampling by Eastfield/ Northair indicated gold values are also present.
