TRADER RESOURCE CORP. (TRR-T)

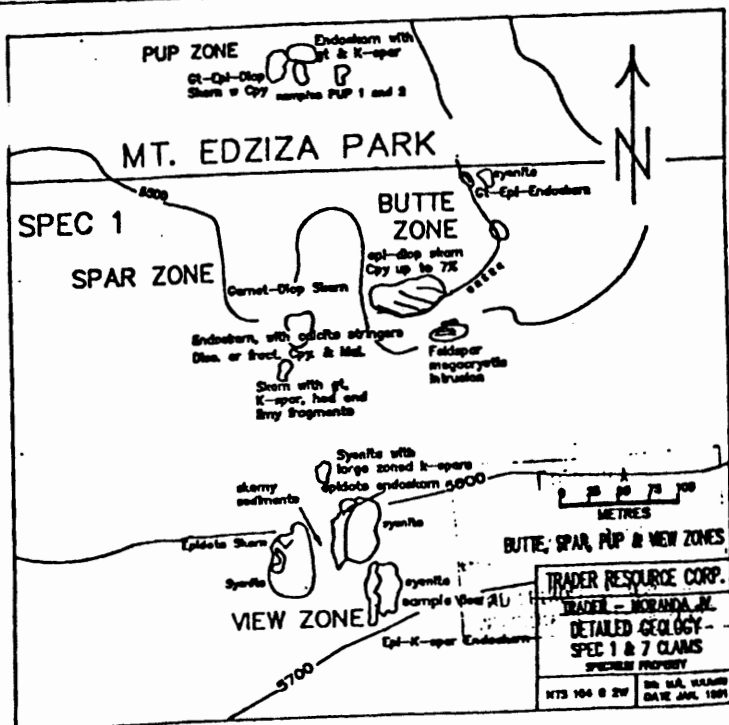

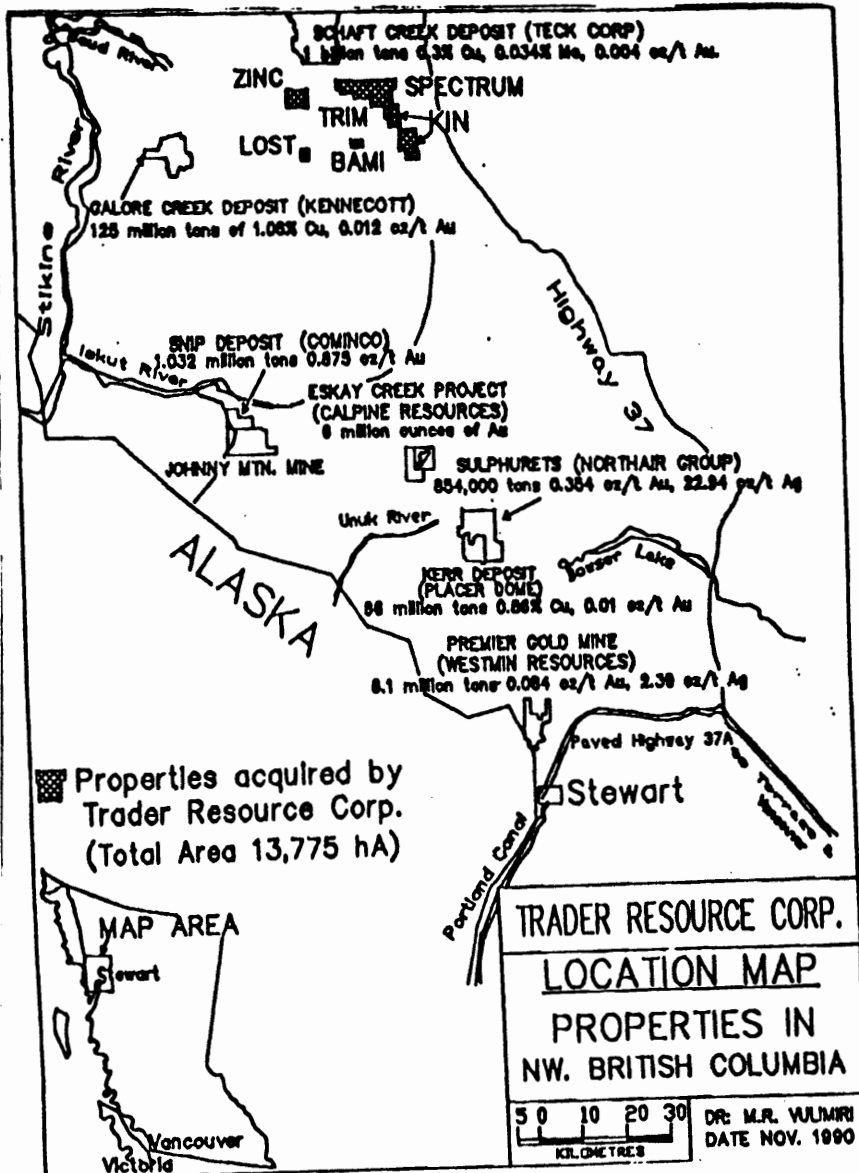

GALORE CREEK CLAIMS OPTIONED - Mohan R. Vulimiri, president, reports Trader Resource has acquired an option from NORANDA INC. (NOR-V,T,M) to earn 50% by spending \$500,000 over two years on the Spectrum claims in the More/Galore Creek area some 150 miles northwest of Stewart, B.C. The property covers 33 square km. SEE MAP OVERLEAF PAGE 1.

A first stage exploration program was completed October 1990, when surface samples returned values from 0.37% to 8% copper, as high as 8.0 oz.silver/ton and up to 0.01 oz.gold/ton. An induced polarization survey and diamond drilling is planned for the 1991 exploration season. (SEE GCNL No.234, 4Dec90, P.2 FOR OTHER DATA)
