AMERICAN FIBRE CORP. (AFB-V)

SILVER BUTTE RESOURCES LTD. (SBU-V)

SIB HOLES COMPLETED ON SIB CLAIMS- James Bond, president reports American Fibre Corp. and its 50 joint venture partner Silver Butte Resources Ltd. have completed six diamond drill holes in the Phase 2 drilling program on the SIB claims adjacent to the Eskay Creek deposits about 65 miles NW of Stewart, B.C. The program is following up last year's successful drilling on the Lulu zone. The target horizon has been intersected in five of the six holes. The core will be shipped to Vancouver, B.C., for assaying on July 12.
