MGP ASIA CAPITAL INC. (MGN-V)

DRILLING TO START - Cynthia Grey Avelino, president,
reports MGP Asia Capital Inc.

expects to start a drilling program on its Xplor
gold/copper property west of Cowichan Lake, Vancouver
Island, B.C. in which DIAMOND HILL MINING CORP. can
earn a 50% interest by spending \$75,000 on exploration
and issue 100,000 shares. The minimum 1,000 foot
program will test the downward extension of a 60-foot
wide mineralized and sheared zone where previous chip
samples returned values as high as 2.48 oz.gold/ton.
The Xplor property is chiefly underlain by siliceous
volcanics of the Bonanza Group with the copper, gold
zinc mineralization associated with gossan zones. (SEE
