TASEKO MINES LTD. (TKO-V)

"UNPARALLELED ORE CONTINUITY" - Robert G. Hunter, chairman, reports Taseko Mines

Ltd. has received further drill results from the Fish Lake copper/gold deposit 60 miles west of Williams Lake,

B.C. Results to date confirm "unparalleled ore continuity and grade" with hole 91-4 intersecting 2,348 feet grading a 0.84% copper equivalent. Other holes yielded similar results. Tomorrow's newsletter will carry complete assay tables and maps. (SEE GCNL No.184, 25Sep91, P.1 FOR PREVIOUS INFORMATION)
