Westmin Resources has reported a fifth intersection of Battle Zone ore on Section 15+ 85E. Hole No. 14-909 intersected the zone 30 metres south of Hole No. 14-908 and brings the total dip length on the zone to over 150 metres. Battle Zone is in the Myra Falls mine near Campbell River, Vancouver Island, B.C. The hole was stopped at 305 metres and a new hole, inclined at -62 degrees South, was collared. Two other machines on sections 15+ 92E and 12 + 01E respectively, are probing for extensions to the Battle Zone. (SEE GCNL NO.5(92), P.1, JAN.8/92 FOR FURTHER INFORMATION).
