CHAPLEAU RESOURCES LTD. (CHI-V)

BARKHOR RESOURCES INC. (BHO-V)

POLYMETALLIC PROPERTY EARN-IN - William Daly, president, reports Chapleau Resources Ltd. has agreed with Barkhor Resources Inc. to acquire a 50% interest in Barkhor's lead/zinc/silver Shasta property. The property consists of the Richard the First claim plus 36 additional claims known as the Shasta claims. The Shasta property is located 5 miles north of the Kokanee/Chapleau/Barkhor Arc property at Crawford Bay, southeast B.C. Chip sampling from the Richard the First claim assayed 29.72% lead, 9.8% zinc, 7.6 oz. silver/t, 0.16% copper and 0.02 oz. gold/t. An immediate drill program is planned. Terms of the agreement are 100,000 free trading shares and \$100,000 for exploration, both deliverable within seven days of regulatory approval. Kokanee Exploration Ltd. has agreed to be the operator.

Field work is continuing on the Arc claims at Crawford Bay. Currently, line cutting and trenching, geological mapping and additional geological work is ongoing. (SEE GCNL No.71, 9Apr92, P.3 FOR MORE DETAILS)
