"Reliable Reporting"

NO.110(1992)  
JUNE 8, 1992

SUNTAC MINERALS CORP. (SUJ-V)  
CANARC RESOURCE CORP. (CCM-V)  
REMBRANDT GOLD MINES LTD. (RTG-VB)

Suntac Minerals Corp. holds an option from Rembrandt to earn a 60% interest in the high grade Polaris-Taku property, located in NW B.C. An independent engineering study recently estimated drill indicated gold reserves totalling 2,200,000 tons grading 0.44 oz/ton at Polaris-Taku. Drilling is underway on the first phase of a \$5,500,000 development program and initial assay results should be available near the end of June 1992.
