DENTONIA RESOURCES LTD. (DIA-V)

KETTLE RIVER RESOURCES LTD. (KRR-V)

DIAMOND SEARCH TO BE 1992 FEATURE - Minnova, Inc. the operator can earn 60% from the Rainbow Joint Venture, of 50% Kettle River, 50% Dentonia Resources, in the Tam O'Shanter property, near Greenwood, B.C. Minnova will begin a diamond drilling program on the Tam O'Shanter area in mid-March. A 4 to 5 drill hole program will further test mineralized areas discovered in last years drill program which cut 0.21 oz. gold/t, 0.83% copper over 10.8 feet, which is part of a larger structure).

The adjoining property to the Tam O'Shanter will be undergoing exploration this season. The Motherlode-Greyhound mines have been optioned from Corona by the Orvana/Placer Dome joint venture.
