FURTHER BATTLE ZONE DRILL RESULTS - Walter Segsworth,
president, reports

Westmin Resources has received further assays from drilling on the Battle zone at the Myra Falls mining operation located west of Campbell River, Vancouver Island, B.C.

Westmin also reports completion of the sale to U.S. institutions of US \$34,000,000 (approx. C \$43,000,000) 15-year, 7.77% secured coal royalty notes. Principal and interest payments will be funded by Westmin's royalty and lease revenues earned from its producing coal properties in Alberta.
