WESTMIN RESOURCES LTD. (WMI-V,T,M)

CORRECTION UPGRADES EXTENSION - Bruce McKnight, vice president, corporate affairs, Westmin Resources Ltd., reports its recent press release on drill hole 14-917 at the Myra Falls minesite, Vancouver Island, B.C. should have read "Hole 14-917 extends the Battle Zone ore more than 50 meters east where it was intersected in hole 14-731. This intersection represents the thickest intersection in the Battle Zone and provides encouragement for the addition of significant tonnage on the southeast side of the zone." (SEE GCNL No.173, 8Sep92, P.1 FOR PREVIOUS DATA).
