SOUP CLAIMS INTEREST INCREASED.- James G.G. Watt, president, reports Athlone Resources has granted an option for Vital Pacific Resources Ltd. to earn an additional 25% interest in the Soup claims located near Johanson Lake about 210 km northeast of Smithers, B.C. At present, the claims are held 50% Athlone/50% Vital Pacific. Vital may earn the additional interest by transferring a 25% interest in the nearby KLI claims to Athlone by 31Dec93, or alternatively, by spending \$250,000 on the Soup property by 31Dec94. Athlone drilled seven diamond drill holes on the Soup claims in 1989. Results included 15 feet grading 0.229 oz gold/ton with 0.49% copper and 10.50 feet of 1.427 oz. gold/ton with 0.17% copper.
