## YAN-CITY CULTURED MARBLE PRODUCTS LTD.

(VMP-V) 7,445,056 SHS.

GOV'T GRANT TO AID PROJECT - George Stathis, president, reports Van-City Cultured Marble Products Ltd. has received a \$22,195 initial Government Grant from the Explore B.C. program for development work on the marble and granite property located near Port Renfrew, southwest Vancouver Island, B.C. The Port Renfrew project consists of 49 groups of claims owned or under option to Van-City which comprise about 3,100 acres. The claims are of high whiteness calcium carbonate for in-house filler applications along with deposits of light jade green, dark green and black marble and granite varieties for slab and block dimension stone applications. Geological examinations are continuing on the properties and discussions with significant joint venture partners are underway.

Van City Cultured Marble Products, Ltd. is a 20 year old manufacturer of a wide range of cultured marble and onyx products including bathtubs, wash basins, shower bases, counter tops and other related bath and kitchen furnishings. (SEE GCNL NO.21. 1Feb94, P.5 FOR OTHER PROJECT INFORMATION)
