NO. 134 (1995)  
JULY 13, 1995

## LA ROCK MINING CORP.

[TSAR-V] 13,834,397 SHS.

**BRANDYWINE EXPLORATION - Dr. Robert E. Lee, president, La  
HIGHLIGHTS REVIEWED** Rock Mining Corp., presents a  
summary of the 1995 gold values  
encountered in the drilling program at the 100%-owned, subject to  
0.5% NSR, Brandywine gold property located 30 miles north of  
Squamish, B.C. REFER TO DRILL HOLE MAP IN GCNL NO.130.

7Jul95, OVERLEAF P.5. Assays results, presented overleaf P.1. are  
from 11 vertical holes drilled on the DP Zone. There are seven  
geologically identical gold targets to date on the 3,575-hectare  
property. The DP Zone is entirely within La Rock's existing mining  
lease. Rail and electrical power are nearby.

The DP Zone is open in all directions with excellent gold values  
near surface and to depth. The exploration program is continuing  
with the objective of further defining the magnitude of the DP Zone.  
metallurgical testing and preliminary ore reserve estimates will be  
carried out in the near future. (SEE GCNL NO.130, 7Jul95, P.4 FOR  
PREVIOUS BRANDYWINE PROJECT DETAILS)
