VANCOUVER, B.C.

November 27th, 1968.

Dr. J. M. Carr,  
Geologist,  
Department of Mines and  
Petroleum Resources,  
Victoria, B.C.

Dear Sir:

In reply to your request the following structural material is included:

- rolled* {
- |                |  |
|----------------|--|
| 1. East Jersey | 5020 to 4720 Bench Plans - Scale 1"=40'    |
| 2. Jersey      | 5000 to 4733 Bench Geology - Scale 1"=100' |
| 3. Jersey      | Composite Bench Plan - Scale 1"=40'        |

Hope this material is sufficient and we wish you success in using it.

Also included is your regional map, which you so kindly lent to us.

Yours very truly,

BETHLEHEM COPPER CORPORATION.
