MERCURY GROUP

PINCHI LAKE, Omineca Mining Division

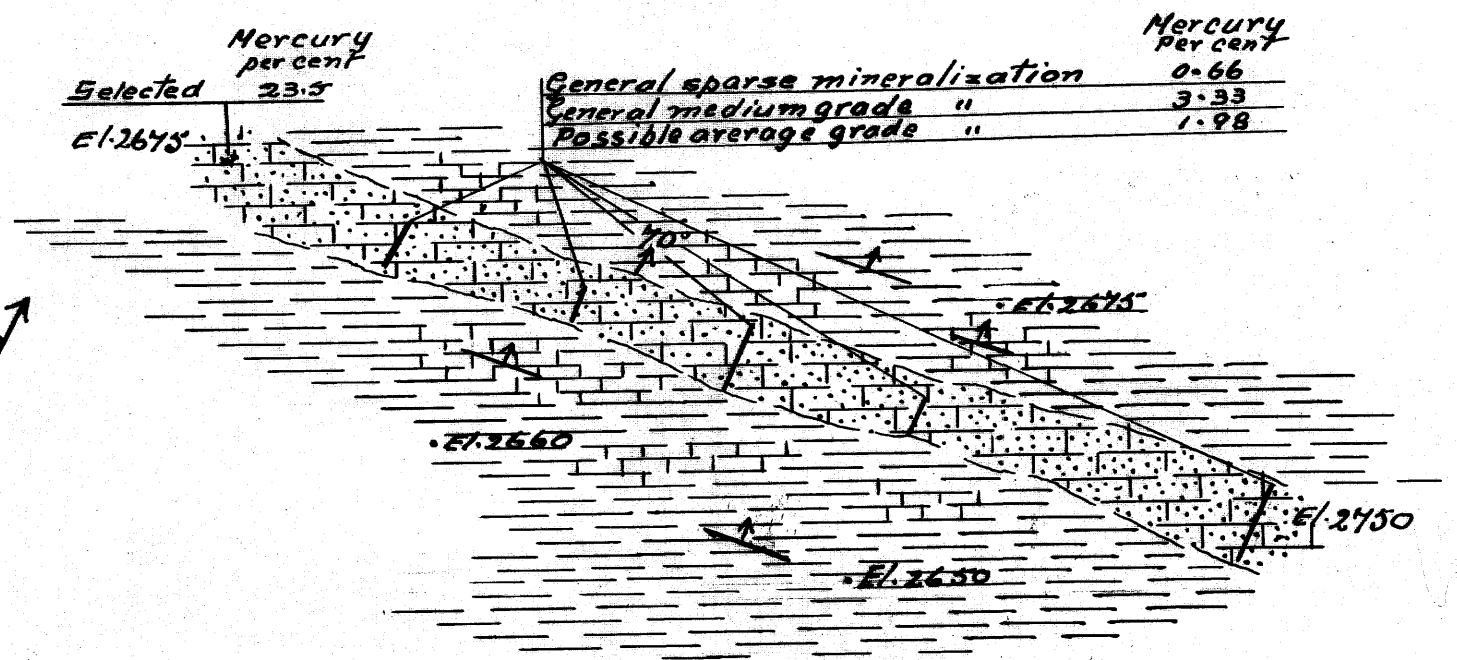

Plan of cinnabar deposit outcrop

93K/4E
93K-36

Scale 0 200 400 600 800 1000 Feet

Legend

- Ferro-dolomitic limestone with cinnabar;
- Limestone
- Quartzite, gneiss

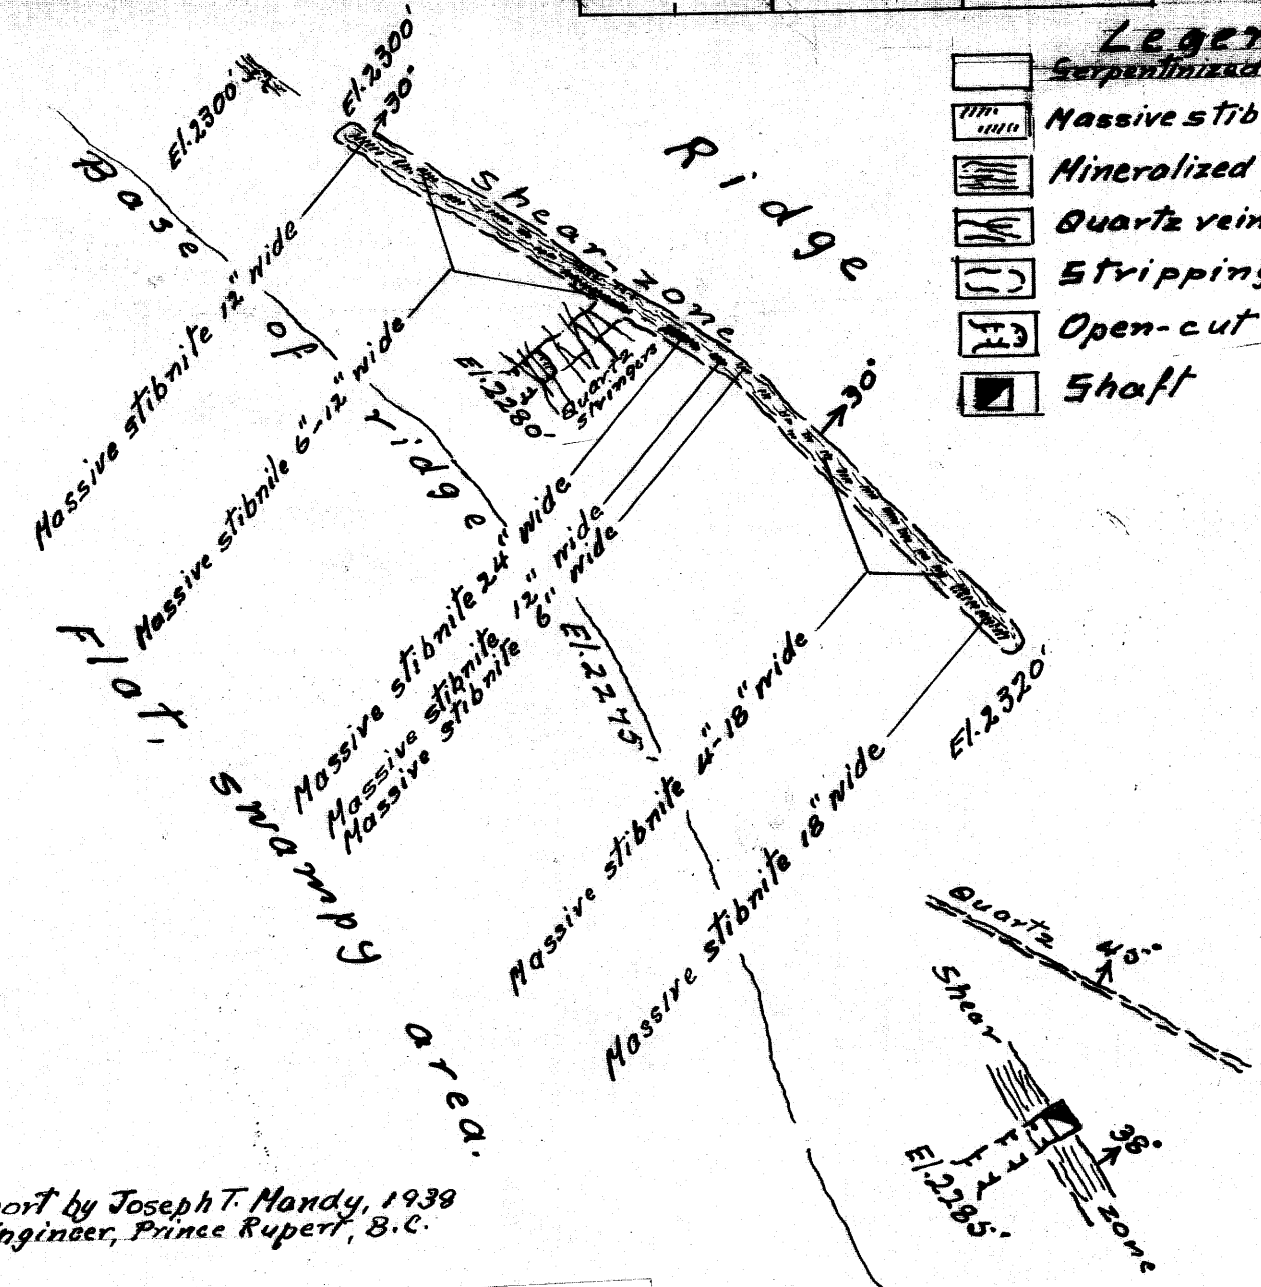

SNOWBIRD GROUP

STUART LAKE, Omineca Mining Division

Scale 0 50 100 150 Feet

Legend

- Serpentinized & carbonatized rock
- Massive stibnite
- Mineralized shear-zone
- Quartz veins & stringers
- Stripping
- Open-cut
- Shaft

Bulk Test-sample of massive stibnite
shipped to Govt. Sampling Plant,
Prince Rupert.
