

Polished Thins - R.V. KIRKAM

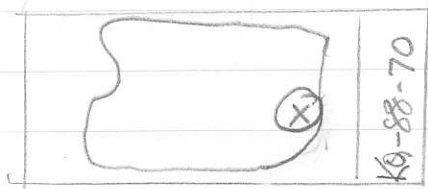

Aug 25/89

① KQ-88-78

- section seems to be too thick
for good viewing

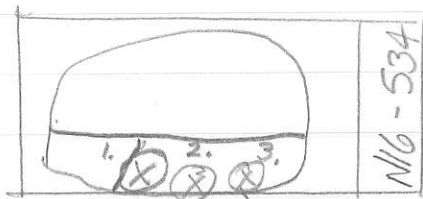

② KQ-88-70

- a few very
small inclusions
spotted in this area.

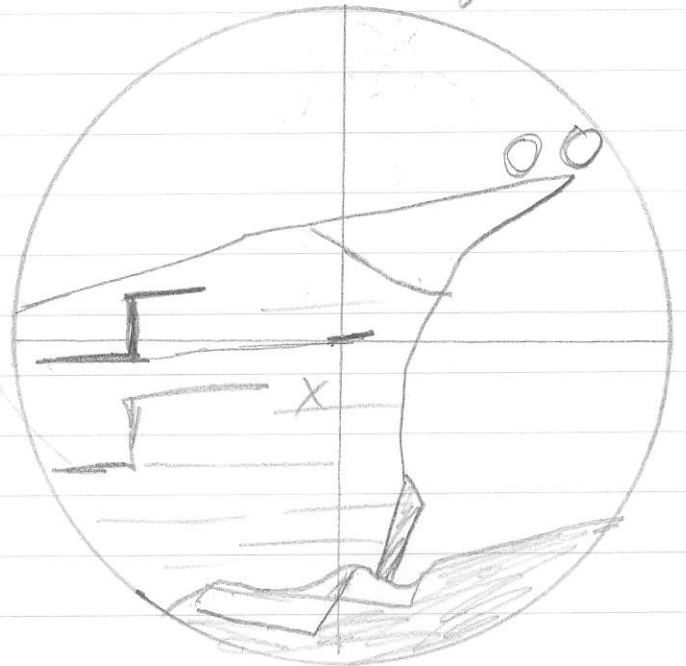

③ N16-534

- a few good size
inclusions spotted
in these areas
(They look very similar to inclusions found
in SPLR.)

small inclusions
with active bubbles.

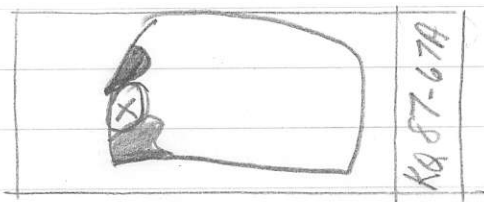

Loc. 3. at 5.6 X

④ N16-123

- inclusions not as obvious as in N16534-

⑤ KQ 87-67A

KQ 87-67A

Aug 25/89

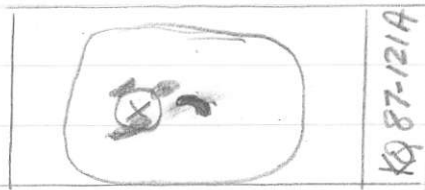

⑤
