September 19/88

Dear Steve,

Just some data (January 1988, GSC "display" map, copy letter & data to F.G. Hewett March 31/88, copy letter to D.J. Alldrick March 28/88 - outlining GSC project & copy; Britton & Alldrick Sulphurets Map Area report Paper 1988-A that I could put together in a hurry. The BC Gov't map is "Open File Map 1988-4 @ 1:50 000 scale for the region. Of course most of this information is already out-of-date.

We really need to get together & talk about the area at some length & I should show you a few rocks. You should perhaps plan on attending the GSC Current Activities Forum, which will probably be held in late January in Ottawa.

Great to hear from you. Good luck in your new job.

Sincerely,
Rod Kirkham
