Bob Leighton, Box 264, Sorrento B.C., phone 604-675-2700 has brought to my attention a silver showing south of Revelstoke, B.C. found at the base of a retreating glacier.

The showing consists of high grade silver talus about 100' wide and averaging 125 ozs. per ton. I advised him to take this to Bill Sirola and gave him Sirola's address in Vancouver.
