**DRILLING UPDATE**

The Company is pleased to announce the completion of the second phase of drilling on the Congress property in British Columbia. All holes intersected the target mineralized zones and assay results will be released as they are available.

The Congress Property is located in the Historic Bralorne Mining District, 90 kilometres west of the Lillooet, accessible by year round government maintained and paved BC Highway 40.

For further information contact Ron Tremblay, President, Levon Resources Ltd., 604-682-3701

On Behalf of the Board:
