UNUK RIVER

An aerial photograph showing a river winding through a deep, forested valley. The river is light-colored, possibly due to sand or gravel, and contrasts with the dark green of the surrounding forest. The valley is flanked by steep, forested hills. In the background, more distant mountains are visible under a clear sky. The text 'UNUK RIVER' is handwritten in black ink across the upper middle of the image.

CUMBERLAND

The word 'CUMBERLAND' is handwritten in black ink in the lower right quadrant of the image. A long, thin line is drawn from the text towards the river, pointing to a specific location in the valley.
