Come Celebrate!

THE
MIGHTY SULLIVAN

A GEOLOGICAL GATHERING

The mighty Sullivan will finally close its doors late this year after almost
a century of production. Teck Cominco is pleased to host
a final geological meeting in:

KIMBERLEY, B.C.

NOVEMBER 9TH & 10TH, 2001

Great lineup of talks

on Friday, November 9th.

Last chance to tour the mine

on Saturday, November 10th.

Meet old friends,

swap stories at the poster session/ chat room.

No registration fee. Favourable hotel rates have been arranged.

To receive the **circular** and **registration info**, e-mail helen.augustin@teckcominco.com
