FURTHER DRILLING- Robert G. Hunter chairman of Continental's ASSAYS REPORTED Gold Corp. announced further diamond drill hole results from the Mt. Milligan project, 45 miles west of McKenzie, B.C., a Continental Gold 70%, BP Resources Canada Limited 30% joint venture. New results from widely spaced sites in the MBX gold-copper zone area above. Drill testing of gold-copper soil anomalies extending for 5000 ft. south and 5000 ft. west of the 66 zone is planned to begin this month.
