NEW PRIVATEER MINE LTD. (NPM-V)

MILL START-UP PLANNED - Harvey H. Cohen, president, reports New Privateer Mine Ltd. has completed its milling facility at the 100%-owned New Privateer mine located at Zebellos on the west coast of Vancouver Island, B.C. A permit has been received from the Ministry of the Environment authorizing the discharge of effluent from the gravity concentrator.

A labour force is being organized with initial mining is planned for the No.3 vein north, where sub-levels and stopes have been established in preparation for mining. An access drift is also planned for the near future to intersect the No.5 vein on the 1100 level. Past production of the mine was 168,000 ounces of gold when it closed in 1948.
