SILVER BUTTE RESOURCES LTD. (SBU-V)  
AMERICAN FIBRE CORP. (AFB-V)

SIB DRILLING UNDERWAY - Louis Starck, president, reports Silver Butte Resources Ltd. and 50/50 joint venture partner American Fibre Corp. have begun Phase I drilling on the SIB claim group located adjacent to the Eskay Creek deposits some 65 miles north of Stewart, B.C. The first hole is a step-out on the Lulu zone which was discovered in Sept/90 by hole 90-30 which returned 0.421 oz.gold/ton and 30.912 oz.silver/ton over 46.92 feet.

Phase 1 comprises some 13,123 feet of drilling to be completed in the Lulu and Marguerite zones. The 1991 drill program is budgeted at \$3,750,000 and will continue on a 24-hour basis. (SEE GCNL No.120, 21Jun91, P.4 FOR OTHER SILVER BUTTE DATA)
