TREMINCO RESOURCES LTD. (TMO-T)
SILVANA MINE SUSPENDS PRODUCTION - R.T. Trenaman, P.Eng.,
president, reports
Tremenco Resources is suspending production of lead and zinc
concentrates from its Silvana mine near New Denver, southeast B.C.,
effective 3Apr93. The temporary closure is due to poor metal prices
and the one-month shutdown of Comnco Ltd.'s Trail, B.C., lead and
zinc smelter, effective 5Apr3, where Tremenco's Silvana concentrates
are shipped. A decision to re-open the Silvana Mine will be made when
Cominco Ltd.'s smelter resumes production in May. (SEE GCNL
